## FALL GREETINGS!

Dear Beloved Friends of GIMI,

Blessed Fall greetings to you in the precious name of Jesus! It would seem that this year is rapidly moving on, and before we know it, 2011 will soon be history. This should be a reminder to all of us just how precious time is, and how much we should be doing our best to win souls to Christ before time runs out and Jesus comes again. This is the only life where we will be permitted to bring people to Christ, but there is yet another life to come where we can enjoy the fruits of our labors forever and forever as we worship Jesus and enjoy the fellowship with those we have helped bring to Him! I wonder if there will be any souls there as a result of your labors? I surely hope so, and if not, it is still never too late to get started in the wonderful task of helping to win people to Jesus Christ!

## Africa, Here We Come Again!

By the time you dear people receive this newsletter, JoAnne and I will be back in Africa for the first time since my heart surgery and my daily struggle with this incurable lung disease. We are so excited about going back to the people that we love and have spent so much time with for over 26 years. We are thrilled that God has answered our prayers, and that He has given us some good doctors who have worked along with us trying to get me well enough to travel again. God has been so good to us, and we just can't wait to be on the front lines sharing the Gospel and seeing people come to Christ. I want to ask all of you to really pray for us and our two adjoining teams that will accompany us on this trip. We will be in Uganda for the first part of the trip, joined by Pastor Brandon Ware, Pastor Larry Turner, Pastor Bruce Devoe, and his dear wife, Rhonda. Then, after the first two weeks, this team will return to America, and JoAnne and I will travel on down to Rwanda where we will work with some of our Uganda team for about two weeks along side of our Rwanda Director, Pastor Faustin Gapira. Then, after our work in Rwanda is complete, then JoAnne and I will fly up to Nairobi, Kenya where we will meet Doug Ezzell, Doug Williams, Bruce Dayton, and Stephen Daniel

and join them for two more weeks of work all over Kenya. During our almost six weeks in Africa, we will be sharing Jesus in over 120 prisons, schools, and churches. Please pray for mine and JoAnne's health on this trip, the safety for all of our team members, and most of all, please pray for a tremendous harvest of souls. We long to see several thousand people come to Christ. We will provide a report of the trip when we get home. If you desire to communicate with us while we are gone, you may contact Tina Houston, our Office Administrator and she can get you through to us, either by telephone or by e-mail. We would love to hear from some of you personally while we are away.

## A Great Big Thanks To Pastor David Jones & Calvary Baptist Church

As I stated earlier, JoAnne and I should be in East Africa by the time you read this newsletter, but I sincerely want to mention to all of you just how proud I am of the great job that Pastor Jeff Kautz, Pastor David Jones, and our dear mission team from Calvary Baptist Church, Lincolnton, NC did on their safari to Ghana, West Africa during the first two weeks of August. This was truly one of the most productive and cooperative teams that we have had to go to Africa in a very long time. Pastor Jeff Kautz and Pastor James Baidoo have shared with me so many times about how devoted and faithful this team was, and also, how they connected with the Ghanaian people. During their two weeks in Ghana, the team preachers preached many sermons in churches, prisons, and in schools. And, the main project on this trip was for the team to help Pastor Baidoo and his dear staff in conducting their annual Bible Camp. The team worked nonstop every day that they were there, and they helped teach the Bible to over 1,000 children and students, with 476 of these praying to receive Christ as personal Savior. Also, several prisoners were saved as they shared Christ in some prisons. It was truly a safari for Jesus!

As the President of GIMI, I want to thank Pastor Jeff, Pastor Jones, Youth pastor Brandon Blair, the entire Calvary Baptist team, and especially every church member and friend that helped the team raise the funds for their travel expenses. Truly, this effort was a Divine partnership of sacrifice and devotion, and God really blessed every team member's efforts. I want to ask all of you to continue to pray for Pastor Jones and Calvary Baptist because they hope to be even more involved with our GIMI Africa ministry in the future. Brother David, I thank you and Brother Brandon for leading this team. I want to say, "Well done, but you have a greater well done" that is yet forth coming! May God sincerely reward you for helping GIMI share the Gospel with hundreds of people in West Africa. And, Pastor Jeff, I want to thank you for taking care of all of the details for this team's travel. And, Brother James Baidoo, I want to thank you and Cecilia, and all of your staff there in Ghana for being such wonderful host for our GIMI mission team. You all did a super job!

## People Are Still Being Saved In American Churches!

One of the greatest joys that JoAnne and I have ever experienced is traveling across America as I have preached the Gospel in over 1,000 revival meetings. Even today in spite of my health problems, God has blessed me with the strength to keep preaching in numbers of revival meetings. Even as I write this article, JoAnne and I are on the road in revival meetings. And, I am extremely happy to report that we are seeing more people saved today in the churches than we ever have in 46 years of ministry. I want you to join me in praising God for the movement of His Spirit in the churches. With all of our economic problems and the uncertainty in our land, I believe it is a great time for pastors and churches to really conduct and promote revival meetings and evangelistic crusades in their churches. Why? Because people are in despair, and they are scared today with the things that are happening in these last days before the coming of Christ. So, pastor, don't give up on your efforts to get the lost into your churches, because if you and your people will get them into your worship services, and if you will utilize the Biblical gift of evangelists in your churches, God will save multitudes right now if we will pray and believe Him to do so.

I say this because this year, 2011, we have seen more people saved in the revival meetings than we ever have in our entire life time. Just this morning here in West Virginia, God saved 12 people in the Sunday morning service, with many other believers making brand new commitments to Jesus Christ. Last Sunday morning in another church here in West Virginia, we saw 12 more people come to Christ. Therefore, let me challenge all of you pastors and church leaders to take advantage of this difficult time to present the Gospel to multitudes here in our land as well as continuing to reach those on the mission fields. We must not give up on the opportunities we have to bring our friends and neighbors to Christ. And, I want to say to all of you pastors that I still have a few weeks open for next year if some of you would be interested in having JoAnne and myself come to your church. However, we are working all of our revival and evangelistic meetings around our African trips. So, let me hear from you soon if you are interested in seeking God to save souls through your local church ministry.

## A NEW BOOKLET AVAILABLE

While I am challenging you pastors and church leaders to still have revival meetings and put on a drive to win lost people to Jesus in your churches, let me mention that I have just completed a new booklet which I have written entitled, "**The Under-Challenged Church**". This booklet contains a subject matter that has really been on my heart for several months. That subject is that many pastors and church leaders are afraid to challenge their churches to get out of the box and win people to Jesus. There are various reasons and excuses for this, and I cover many of these in the booklet. I would encourage every one of you readers to go on line at: [www.gatewayinternationalmissions.com](http://www.gatewayinternationalmissions.com), and scroll down the resource page and find this new booklet and then call our office and purchase the booklet. The cost is only \$5.00, and I sincerely believe God might use this material to really challenge you and your church to get on fire for Jesus in attempting to win the world for Christ. I promise you that it comes from my heart straight to yours if you will read it!

## Christmas Is Coming!

We are now into the Fall season and Christmas is just around the corner. We need your help in two great projects for Christmas. Right now, we are collecting many items of clothing, nonperishable food items, Christmas toys, coats, and financial contributions to be used in our upcoming West Virginia Birthday Party for Jesus scheduled to be held on Saturday, December 3, 2011. Brother Roger Buff, Pastor Jeff Kautz, Gail Presnell, and Tina Houston are working diligently in getting all of these items together so that we can help one hundred families in Bartow and Frank, West Virginia with some of the basic needs of life. We want this special occasion to really be a celebration of Christ's birthday here on earth, and we want to minister to a lot of hurting people who have been through so much suffering in the Appalachian Mountains where they live. Would you please consider helping us? You can do this by helping us to collect new and good gently used clothing, food items as you shop, Christmas toys and other items such as blankets, quilts, bedding, pillows, etc. for this birthday party for Jesus. If you and your church will help us with this, we will be glad to send someone to pick up your items if you collect a good volume of these. Just contact our office and tell us what you have, and we will come and get it, unless you only have a few items. We need your help, and we are confident that God will bless you if you will make this a special Christmas project for you and your family. If you have any questions, please let us know.

And, some of you might want to accompany us to West Virginia to help distribute all of our gifts, and join in our evangelistic worship service on this special occasion. If you would like to go, please call Tina Houston and she can give you the price of a ticket on the chartered bus and give you the schedule for the trip.

# Please Help Us Purchase Christmas Cows!

Again this year, GIMI is needing your help to purchase cows to be killed and served in our Uganda Prisons on Christmas day. These Uganda prisoners rarely get meat, and this is an opportunity for us to show them the love of

Christ and the real meaning of Christmas. Every year when we provide meat for the inmates, we have hundreds of prisoners that come to Christ because with the Christmas meal, we share the Gospel message with every prisoner. So, we really need you to help us. You, your family, your church, or a group from your church, can purchase one cow for \$150.00. So, will you consider giving up something from your Christmas this year to help us feed hundreds and hundreds of prisoners in some of the worst prisons on earth? If you will, I believe your gift of love will help you have the greatest Christmas you have ever had. Just send your gifts to GIMI and designate them for the Christmas cows! Let me thank you in advance for your help!

## A Special Prayer List of Present Needs

Dear beloved friends, before I close my article this time, I want to make a prayer list of some very urgent things that GIMI really needs at this time, and also for next year. Please take this prayer list seriously, and if God touches your heart about helping to meet some of these needs, we surely would be grateful if you would help us keep taking the Gospel to a lost world. So, please put these needs on your daily prayer list:

1. Please pray that God will keep giving JoAnne and myself the strength to keep on keeping on with this ministry.
2. Please pray that God will raise up some new churches and individual monthly supporters to help us build up our financial bases during these days of economic recession.
3. Please pray that God will provide some more funds to help us ship at least two more containers to Africa this year. We have already shipped three, and we need to ship at least two more.

4. Please pray that God will provide some dedicated believers who will raise their funds to travel to Africa and the Ukraine next year on our scheduled mission trips. Presently, we are working on our planned trips, and it looks like we will have five or six teams going to Africa, and one team going to the Ukraine. Pray that God will fill all of the team spots for each of our teams.

5. Please pray that God will provide some new finances to help us enlarge our new radio ministry to add some more new stations across America. We are presently on seven stations, and we hope to add at least two more very soon. Our radio broadcast is helping us share the Gospel with the lost, to encourage the saints, and to publicize the work that we are doing in Africa.

6. Please pray that God will raise up some churches to partner with our new church plants and church partnerships in Africa.

7. Pray that God will give us the greatest harvest of souls that we have ever had during the rest of this year, and especially in 2012.

8. Lastly, please pray that God will touch pastors hearts all across America so that they will allow us to come to their churches and tell about this modern day miracle that we are seeing in Africa. As one man stated, "This is the greatest untold miracle that the world is yet to hear." Will you pray that God will open the doors for us to tell it?

Well, it is time for me to close this article. Let me close by thanking all of you for the vital part you play in this ministry. Without you, there would be no Gateway International Missions, Inc. Without you, JoAnne and I could not keep on keeping on. So, consider yourselves vitally important to us and to GIMI. This is truly a team effort, and we are so glad that you are on our team. Just know that we love and appreciate you so much, and if we can ever help you in any way, please don't hesitate to call upon us. May God richly bless you, and while we are in Africa, please enjoy the beautiful leaves here in America. God is the greatest artist the world has ever known! Enjoy the colors and let the red remind you of the blood that Jesus shed for the entire world's sins. Let's be addicted to sharing this message with everyone who will listen! Let's keep launching out into the deep for a draught of fishes!

Until the nets are full,

## *Janet (Morrison) Hart in West Virginia*

Greetings in Jesus' name!

I guess it is about time to say goodbye to summer here in the mountains. The leaves are already turning beautiful colors and the nights are getting cold. Fall is my favorite time of the year. Thanks to all of you for your prayers and support for this ministry. Thanks to all who have come this summer and helped in so many ways. May God richly bless you for your labors of love and acts of kindness in His name.

We joined with Hebron Baptist Church and held a Back-To-School Bash. We gave away all of the school supplies that North Jacksonville Baptist Church donated. Thanks NJBC! We had clowns sharing the Gospel with the children. We also had free food, back packs, schools supplies and the clowns did face painting and played games with the children.

We are busy preparing for the Christmas Store and the WV Christmas Party that GIMI will be holding in December. The Christmas Party will be held on December 3rd. The Gospel will be preached, groceries for the families will be given out along with Dollar General gift cards for each family. The Dollar General here is actually considered their Walmart. We are also beginning to collect items for the 3rd Annual Christmas Store which will be held on December 10th where the families will be able to pick out clothing, household items, toys and also Christmas Stockings are being made by Grace Baptist Church in Morganton, NC. I am still in need of new or gently used items, so if you interested in donating please contact me at 304-456-5315 or email me at [called2africa@yahoo.com](mailto:called2africa@yahoo.com). We also will be needing helpers for the Christmas Store so let me know if you are interested in helping this year. I promise you it will be a blessing. Please continue to pray for the ministry as we face all the challenges that this community brings as well as the cold, snowy winter that will arrive here soon. God Bless and thanks again for all you do for Christ.

Serving Christ by faith,

*Janet Hart*

# Meals for West Virginia Families

Can you help provide a healthy meal to a needy family in West Virginia for Christmas? Any contribution would greatly appreciated.

Our goal is to help at least 100 families with a month's supply of food!

# A Brief Word From Pastor Jeff

I just want to take a quick moment to praise God for what He did during our recent trip to Ghana. Along with Pastor Brandon Blair, Pastor David Jones and the team from Calvary Baptist Church in Lincolnton, NC we headed off to minister in the prisons and at a youth camp. The first week we ministered in four of our prisons and saw over 100 prisoners give their heart to Christ. We also had two street vendors and one young boy outside of our hotel that gave their hearts to Christ. Our second week was working at the youth camp headed by our Ghana director, James Baidoo. He has held this camp for about 10 years now and this was the first time we have ever taken a team out to work at the camp. We did not really know what to expect, but our team jumped right in and went with whatever we needed to do. From serving over 1,000 teens lunch every day to teaching them games like duck-duck-goose and rock-paper-scissors and even painting the girls finger nails. Every day our team helped to teach the students in the mornings, and in the afternoon we spent time building rela-

A huge THANK YOU to those of you who gave to the soccer ball project for the kids at camp. I was able to take the 50 balls, train the kids on how to use them to witness to those in their schools and villages and we were able to send them out to continue to share the Gospel. Thank you so much for your support!

*Pastor Jeff Kautz*

tionships through activities and in the evening worshipping together and sharing God's Word. Some of our team helped to teach while others ministered in passing out school supplies and basic care items that the team brought with them and one even helped in the kitchen. During the week we saw around 364 decisions for Christ. Some of them were from Muslim background. One young girl named Grace came up to Pastor David and myself before a discipleship class for new believers and shared how she had prayed to receive Christ as her personal savior but was scared to go home because her parents were Muslim and she was afraid they might kill her. Please pray for those who received Christ and for the strength to go and tell others. This team from Calvary did exactly what the Bible tells us to do. They took the Gospel, made disciples and taught them to observe all the things that God commands us to do. Do you want to go? As I said earlier this was the first time we have taken a group to help out with the camp, and now we are going to take another team to help out at the camp again next year. The tentative dates are August 6-August 18, 2012 Please check out our website for pictures of our trip. If you are interested please visit our website or call the office for more information.

# GOOD NEWS from GHANA

THANK YOU, THANK YOU, THANK YOU!

I salute all of you who contributed in diverse ways to make this years Youth Camp possible, especially, those of you, who in spite of the tight financial constraints that everybody is facing.

God richly bless you all, over 1,000 people who were at Camp salute you. And all the young men and women who gave their life to Jesus Christ salute you. Your support has changed their life completely for good. You have made the best Kingdom Investment in your life. You have sown the best seed in Africa.

As for the Camp itself, once our International Missions Coordinator himself was here with a team. I will let him give you a report. The Lord is really blessing our ministries; the Church, School and Prison.

## OUR GREATEST NEED NOW . . .

We now need a place of our own to run all our programs. As I have said already in some of our reports, we have bought a 20 acres plot of land for this purpose. I want all of you to start praying seriously about this important project and giving towards it. The Lord has started a big, big ministry in Ghana here with you and me. And I want us to catch the vision, and work hard toward its realization. With God on our side, WE CAN! GIMI is getting a team ready to come to Ghana in March for Prison and school ministry. Please! Why don't you get in touch with the GIMI office and get involved. Come with them. There is so much here to do. Once again, I say THANK YOU and please continue to support the work in Ghana here. Because it is worth supporting, you will never make a wrong Kingdom investment with us.

STAY BLESSED ALWAYS,

# KIND WORDS from KENYA

Praise be to God "who comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves have received from God", (II Corinthians 1:4) I am lifted and thanking God for the gift of the fully loaded container with His word in form of Bibles, tracks and prison kid boxes to our ministry that landed safely in our hands late last month. Big thanks also to all brethren who donated and whoever did anything to make it be. Your labor was not in vain and "let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up" (Galatians 6:9-10) May God bless you all is my humble prayer. So far we are well equipped for the harvests where many are ready to give their lives to Christ if shown how and because God has showered us with His blessings, we should do the same to others of our time with love. Thanks again to all our devoted partners for your prayers and support. Thousands have given their lives to Christ through GIMI because you care. Thanks and be blessed!

In Him,

**Sammy Mbugua,**  
*Kenya Mission Director*

# Greetings from Uganda

We greet and thank you for all that you do for God and His people in the Blessed Trinity. We were able to preach to over 10,000 people including the young ones. About 680 came to the Lord Jesus Christ and many who are saved were encouraged spiritually and also through counseling. 30,000 booklets and tracts were given out, and we know as the Bible says, God's word will never come back empty for His word is the light as we read Psalm 119:105. Those who walk in darkness will see the light as they read God's Word.

We do thank you so much for the scripture booklets and tracts. For sure you are planting seeds and you will rejoice at the harvest. We were able to help prisoners with soap, sugar, vaseline, milk for children, and money for the sick to buy medicine. We pray for all of you who support us in all ways. May God Almighty continuously reward you richly and may you continue to be blessed in the Blessed Trinity. Revelation 22:1-7, 12-14, 16-21 AMEN!!

In His Service,  
*Rev. William & Florence Ssentumbwe*

# Ukraine Update

Dear family! Greetings from Ukraine to all of our prayer warriors! We are blessed to have your partnership in the great commission. Many things are changing, but our Lord Jesus, He never changes.

Five years ago, I had the privilege of conducting a wedding in a prison where former prosecutors and policemen are kept. A man, named Sergy wanted to change his life and repent, and God sent him a wife. Four weeks ago, I had the privilege to baptize him and his wife, Galina. Jesus has blessed this man with three children and his testimony became so powerful that the prison department granted us permission to baptize him in a lake, outside of prison, and allowed guards to go with us. We have been preaching in this prison for 19 years and this is the first time that they allowed a prisoner to be baptized. God is great, and is still changing lives and healing broken destinies. Every week we are in a prison in spite of the gas prices. It is people who need Jesus, and we are there for that sake!

Winter is coming, so please pray for our heating season. Also, we need transportation, so please pray that God will provide that need.

We love you & greatly appreciate your prayers and support!

Pastor Dima Bulakh,  
Grace Evangelical - Kiev, Ukraine

# T O G O

Special greetings from Togo to you all in the name of our lovely God! Once more again, my heart is full of thanksgiving towards you for all you are doing for Jesus through GIMI. May the Lord richly bless you all!

Lomé Baptist Church:

We are still praying that God will provide the necessary funds needed to buy land for the Church property. So, please let's join in prayer.

School Ministry:

The ministry is going very well. We need a car to extend this ministry to the 5 regions of our country.

Youth Camp:

Some youth used to contact me every year to organize for them a youth camp during the vacancy. But this year their number has increased a lot. So, Bernadette and I started contacting some brothers and sisters from another church to join us in planning for this, because we did not have the necessary funds. We have organized the youth camp in two different places. We counted 355 youth as campers. The major part of them got saved throughout the activities of the camp. God is still blessing the GIMI ministry in Togo.

Office:

We are still looking forward to having an office in which there will be a warehouse to keep the Bible booklets, pamphlets, and all items needed for the ministry.

Kofi Tchakrom,  
Togo Mission Director

# A few lines from Liberia

Glory be to God for what all He is doing as far as the various ministries that I am involved with in Liberia.

The church is doing fine by God's grace. The average attendance on Sunday is about 50 persons. Souls continue to be won and added to us by the grace of God. We are always grateful to God for Gateway International Missions, Inc for its continual prayer and financial support that is helping to keep the church up. The Lord will surely reward you all.

I do thank God for the School Ministry. Now, over 3500 young people and children have been saved since we started last year. Glory be to GOD ever so much for this!

The Bible school that I am directing will be reopening on the 6th of September, 2011. By God's grace, we have some new students. Please continue to pray for the Bible School, and that the LORD will continually strengthen us and provide what all is needed to run it.

Once again I say, thanks for all your support and please continue to pray for the ministries in Liberia.

Sincerely Yours In His Service,

Arthur Y. Yanweh,  
Liberia Director
