**PASTOR STAN FRYE PREACHING
TO CONDEMNED PRISONERS IN UGANDA**

FROM THE PASTOR'S DESK...

Dear Beloved GIMI Team Members,

Blessed greetings to you in the precious name of Jesus! Believe it or not, November is here, and December is just ahead. These two months are always very special because during November, hopefully, we will be able to stop for a little while, sit down with our families, and enjoy a time of appreciative Thanksgiving to God for all that He has done for us. I must say that I really enjoy the Thanksgiving Season because it provides a time for reflection upon the goodness of God and the way that Jesus Christ has blessed us in so many ways. Even with the horrible national election which we have just experienced here in America, we must remember that God is not up in heaven wringing His hands because of the foolishness and wickedness of so many people in our land.

The election this year has been about a man who has led a playboy lifestyle for years, and the other has been about one of the most corrupt and lying women to ever walk on the face of the earth. Yet, I still believe that God is in control, and He is just allowing us to see all of the signs coming together for the rule of the Antichrist and our Lord's Second Coming. Hillary has talked much about a Global World with open borders and free international trade, with no restraints whatsoever. This my friend, is the beginning of the end when the Antichrist rules with the One-world Government for three and one half years with a false peace, and then he turns viciously against the Jewish nation and any people that won't bow down to him. Thousands and thousands of people will be killed during the last part of the Tribulation Period which will be finalized in the Battle of Armageddon.

My dear Christian friends, we need to make sure that our houses are in order because Jesus is soon coming again to rapture His Church. I do pray that we all will be ready to meet Him, and until He gets here, let's remain faithful in winning people to Christ while there is still time. Who knows? Maybe the next person that gets saved will be the last one before the trumpet blows. Please don't be deceived by those who say that the whole world must hear the Gospel before the Rapture, before Jesus comes. The Bible tells us in Revelation 14:6-7, that the world will hear the eternal Gospel before Christ comes to conclude all things, but this preaching will take place by the angels during the tribulation period, and not necessarily here before the Rapture by believers. By the way, who would ever believe that God almighty would determine the timetable of the world on the faithfulness of fickle and inconsistent believers? I don't believe this, and neither should you!

LET'S REALLY SPEND TIME IN THANKSGIVING!

Without a doubt, America has truly been blessed by God down through the years. Yes, even with the blatant flaunting of sin before our righteous God, He has been so patient with us, and He has chosen to bless and preserve this nation. We are second only to His chosen nation of Israel. Yet overall, America has turned her back upon God, and we are about to reap the harvest of our wicked rebellion toward our Creator; just like Israel did several times because of her defiance toward a good and Holy God. It is bad enough that our nation is committing such wickedness, but it is worse yet that we are arrogant and proud of our sin. Unless we turn back to God and sincerely repent, our days as a nation are numbered!

Therefore, I want to ask you and your family to really consider taking more time this Thanksgiving Season to get your families together, express your genuine thanksgiving to God for His blessings, and then, ask your family to consider really repenting of sin with broken and contrite hearts. This might just be the key to start a real revival in our homes, our churches, our communities, and yes, in our big country. Just remember that Psalm 100 is a great passage to use on Thanksgiving Day.

AN UPDATE ON OUR SPECIAL PROJECTS

In our last newsletter, I made an appeal to all of you to really consider helping us with some very special projects. One project was to help us ship two containers loaded with thousands and thousands of Bibles and Scripture portions to Kenya and Uganda. Well, I am happy to report that some of you dear people have risen to the occasion and given to this project. Just this past week we unloaded 34 pallets of Bibles, Scripture portions, and thousands of Gospel tracts into our newly rented warehouse space here in Taylorsville. Presently, we have received enough to ship one of the containers which will cost about \$7,000 as it goes to Kenya. I am sure that soon we will be able to ship the second one to Uganda. We are trying very hard to get a lot of these materials to our African preachers to use in their ministries. We also want to get them to Uganda where we will be taking a medical evangelism team next March. If we accomplish this, then our team can use the Bibles and materials while we are there. By the way, these Bibles and Scripture portions have been provided

by "Bearing Precious Seed Ministries" in Milford, OH. We want to say a great big THANK YOU to them. We sincerely love and appreciate them. If some others of you would like to help with the second container, we surely could use your help.

The second project which I presented to you last time was the need to purchase a much better van for our ministry in Uganda. Well, praise God, someone has met that need and we are presently in the process of looking for a better van. Please help us pray that God will provide what we need because good used vehicles are very hard to find in Uganda. We hope to get this vehicle purchased very soon. I want to express our sincere thanks to the individual who has provided the funds for this imminent purchase. I assure you that we are always very frugal when it comes to using God's money for His ministry.

OVER 60,000 PEOPLE HAVE PRAYED TO RECEIVE CHRIST THIS YEAR!

At the risk of being criticized by some naysayers, I would like to enthusiastically report that through the month of August this year, GIMI, through our 40 plus African staff members, has preached the Gospel to over 500,000 people. Over 60,000 of those folks prayed to receive Jesus Christ as their personal Savior in our African countries! If this sounds amazing to you, let me say it does to me as well. But, during the past 17 years since JoAnne and I took over this ministry, we have seen miracle after miracle after miracle. God is moving in a mighty way, and we are just praising Him for what He continues to do in Africa, and yes, in our ministry in

Ukraine and other countries. I certainly don't believe that all of those who prayed to receive Christ actually got saved, but I know scores of them did, because we have seen numbers of changed lives in and through all of our ministries.

Oh yes, there are many people that doubt and criticize those who pray to receive Jesus, saying that people don't really get saved in large numbers any more. And yet, I believe that God is much more ready to pour out His Spirit in places around the world than we are to believe that He can and will do it. Dr. A.W. Tozer once said, "God is much more ready to bring revival, than the church is to pay the price for revival." I agree whole-heartedly, and my wife and I have witnessed the miraculous moving of God's Holy Spirit in many places in Africa.

We can sit around and complain about numbers if we don't have numbers, and yet the Bible gives huge numbers both in the Old Testament and in the New Testament where God saved thousands of people. Why, He even included the Book of Numbers in the Old Testament. I always try to remember that every number represents a soul that is either lost or has already given his life to Christ! Can we make a difference in evangelism these days? You bet we can, if we will stop listening to the Emergent Church people who tell us that crusades, mass evangelism, and even personal soul winning just doesn't work anymore. The ones who doubt the power of God to save multitudes are the ones that don't want to pay the price to go after the harvest!

BELIEVE IT OR NOT, JOANNE AND I ARE HEADED BACK TO AFRICA!

You may believe that I am joking, but I am not! After days and days of prayer, my dear wife and I believe it is God's will for us to make a two-week trip back to Africa. We will be gone December 5-17, 2016. We believe that God has brought this about for several reasons. First, the country of Burundi, which is located south of Uganda and Rwanda, is presently in a state of instability because of their last election in late 2015. Over 700 people have been killed with the uprising, and over 300,000 people have fled out of the country as refugees. There are precious people in this beautiful country that want so much to see their people come back together and be reconciled with each other. They desire peace so strongly!

I want to ask every one of you to really pray for this special safari for Jesus. Please pray that God might really use us to share the Gospel with those who are

not saved, those who are at odds with each other, and that we might be used by our Father to help bring healing to this beautiful country. I ask you to pray for my health, pray for our safety in the air and on the roads, and most of all, pray that God might use this special event to bring revival to Burundi.

Many years ago, I wrote a booklet entitled, "The Ministry Of Reconciliation", which we used in the formerly war-torn country of Rwanda where over one million people were killed in the genocide back in 1994. Recently, one of the leading pastors in Burundi got a copy of my booklet, and then he contacted me asking that I come to Burundi and conduct a seminar on reconciliation with many pastors, Government Cabinet Members, and other very important people. Hopefully the outcome will be having the people to come back together in peace. Of course, no two men can ever be reconciled with each other until they have first been saved and reconciled to God. Therefore, after days of prayer and a special God intervention, JoAnne and I are going to not only teach a seminar on reconciliation, but also, to teach the Book of Nehemiah on Spiritual leadership.

Our plans are to fly to Uganda, spend a few days with Rev. William Ssentumbwe and do some early Christmas parties in the prisons. We will then fly down to Burundi where we will conduct the seminar. We will be in Burundi for only three days.

I want to ask every one of you to really pray for this special "Safari for Jesus". Please pray that God might really use us to share the Gospel with those who are not saved and those who are at odds with each other. Pray that we might be used by our Father to help bring healing to this beautiful country. I ask you to pray for my health, pray for our safety in the air and on the roads, and most of all, pray that God might use this special event to bring revival to Burundi.

Before moving on to the next thought, let me take this time to sincerely thank those of you who have given generously to help us make this unplanned trip. We could not go were it not for those of you who have seen the special need and have given sacrificially to hopefully help save a country. I promise all of you that God will reward you manifold for your contributions to this special project.

I also want to thank those of you who are helping to purchase cows for the Christmas Dinner in the prisons of Uganda. Because we are making this unscheduled trip, we will get to participate in some of these Christmas parties. We will conduct some of them a little early this year so that Mama JoAnne and I can be back with our family on Christmas day. Again, please remember to pray diligently for us as we make this long journey. This will be my 69th trip to Africa!

**THE NEXT SEMESTER OF
GATEWAY INTERNATIONAL BIBLE COLLEGE
WILL BEGIN ON JANUARY 5, 2017**

I want to take a moment to share with all of you that our Gateway International Bible College is growing. We have seven students here in our campus classes and almost 30 extension students in Africa. I ask you to please tell your friends about our college. If some of them are interested in digging deeply into God's Word, then have them contact our offices for our Gateway International Bible College catalogue and an application.

The courses we will be offering in our next semester here in the classroom will be:

1. New Testament Survey 102
2. The Book of Revelation 101
3. Christian Counseling 101.

I would just like to mention that we are offering free tuition. This opportunity is conditional upon the signing of a **Free Tuition Agreement**.

Our next semester will start on January 5, 2017, here in our campus class room. Many other courses are available through extension classes. I ask all of you to pray daily for this endeavor to truly equip God's servants, both men and women, to be ready to serve Him. We are very excited about the future of this ministry!

If some of you would like to help sponsor one of our foreign students, then please let us know. The sponsorship includes a one time \$100 Admission Fee, and then you would be responsible for purchasing the textbooks for the students. Also, we will give you the name, mailing address, and e-mail address of your sponsored student so that you can communicate directly with them.

One other thing! If some of you would like to help by giving gifts to Gateway International Bible College, you may do so by sending your gifts to Gateway International Missions, Inc. Simply make a note on the check that it is for our Gateway International Bible College.

I do pray that God might lead many of you to invest in the lives of His servants here in America and abroad; especially in Africa and many other foreign countries where we will have students.

**"GOD'S BIBLICAL BLUEPRINT
FOR MISSIONS"**

Friends, I would like to share with you that recently, I have completed a brand new book that I have been working on periodically for about two years. The title of the book is "God's Biblical Blueprint For Missions". It is an exegetical study of Matthew 10:1-42, dealing with our Lord's commission to His disciples as He sent them on their first mission trip. The sub-title of the book is "Preventing Wasted Money And Fruitless Efforts". This book reveals why so many mission programs are failing in this generation, and truthfully, it is because we have moved away from God's blueprint. I would love to see every pastor purchase a copy of this book, and maybe even share it with others in these days when baptisms are way down, mission giving is very slow, and our churches have been led to leave the fields where the fish were biting to travel to the "Unreached People Groups" where one or two people come to Christ instead of harvesting in the fields that are ripe. I believe you will be blessed by this book, and I would tell you that all of the funds that come in from the sale of this book goes to GIMI. If you would like a copy, please contact our office. The cost is \$15.00!

**This Book Would Be
A Great Gift For Christmas!**

**A HOLIDAY NOTE
FROM MAMA JO ANNE**

Plans, Plans, Plans! We all have plans, but during the Holiday Season, moms, grandmothers, aunts, and sisters have lots of plans! We all have many rituals, habits, and traditions for this time of year! Some of them are good, some are bad, and some are neither! What are your plans this Thanksgiving and Christmas Season?

May I encourage you to ask yourself an important question, "What would Jesus have me to do differently this year?" He might just want you to spend more time with Him, or maybe He would ask you to minister to someone who needs encouragement. That person could be a first time widow lady, an orphan child, a prisoner, or a poor person. The encouragement could be as simple as a hug or a short visit! Jesus had much to say about ministering to these people. I think they were, and still are, all very dear to His heart. So, just ask Him what He wants you to do!

My Thanksgiving and Christmas plans are going to be very different this year. As many of you know, for many years, GIMI has bought cows and special foods for the prisoners in Africa to enjoy on Christmas Day. Can you imagine only getting meat once a year, on Christmas Day, or never having an orange or a roll at any other time!?!?! I have thought many, many times about what it would be like to be there to share in these Christmas Parties for Jesus! Well, this year, I will have that honor and privilege! It won't be Christmas Day on the calendar, but it will be Christmas Day for them and for me! We will celebrate HIS BIRTH, enjoy His blessings, and invite them to accept HIM as their personal Saviour. This blessed experience will be God's very special Christmas Gift to me!

As my husband has already asked you, please pray for this trip to Uganda and Burundi. Please pray for our safety and health, but most of all, pray that many will come to know Christ as their personal Saviour at this special time of year!

I would like to express my deepest gratitude to all of you who have made this trip possible for us!

Praying that you and your family have
a Happy Thanksgiving and a Blessed Christmas,

JoAnne Frye

A SPECIAL TRIBUTE

**HAVE A WONDERFUL
CHRISTMAS!**

I want to close my article this time by wishing you and your dear families the best Christmas that you have ever had. As we celebrate the earthly birthday of our King, let's remember that in giving to everyone else that we do remember Whose birthday we are celebrating. What a shame it would be to celebrate Christ's birthday without giving Him a gift. And, I can tell you completely without hesitation what Jesus wants for Christmas. He wants you to give Him all of yourself! Romans 12:1-2, "I beseech you therefore brethren, by the mercies of God, that you present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service. And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect will of God."

Merry Christmas And Best Wishes!
